[For the Daily Dispatch.] Albemarie Baptist Association.

FIRST DAY. The Albemarle Baptist Association conwened in its eighty-third annual session with the Fork church, Fluvanna county, Va., on Tuesday, August 18, 1874. After singing a voluntary (" How Beauti-

ful are Thy Towers") by the choir, the Association was called to order at 12 o'clock by its Moderator, Rev. J. B. T. Patterson, who requested Rev. S. P. Huff to conduct the devotional opening exercises. The 522d hymn of the Hymn and Tune Book was sung-"O, for a Thousand Tongues to Sing?" Elder Huff read the fiftieth Psalm. Prayer by Rev. C. Manly, D. D.

Owing to the crowded house and the dilliculty that would necessarily attend the collecting of ballots, the organization wastpostponed to hear the introductory sermon by Rev. W. A. Whitescarver, who read the fourth chapter of II. Corinthiaus. After singing the 295th bymn of the Baptist Psalmody, and prayer by Rev. Dr. Manly, the minister announced as his text the seventh verse of the fourth chapter just read-"But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." The subject was handled by the minister in a mesterly manner, and made tender alkisions to Rev P. Smith, whose granite monument, erected by the churches of his charge, stood but a few steps from the church-door; also to Reynoldson, Bagby, and George, who had formerly preached to congregations in this house. The congregation seemed unusual'y large. The church, though spacious, was densely crowded indoors and aisles. Elder Whitescarver was pastor of this church fifteen years, and has been absent five. The sermon was followed by prayer by Elder Huff. The Association acjourned for recess till 21 o'clock. AFTERNOON SESSION.

At 2:30 o'clock the Association was called to order by its Moderator, Rev. J. B. T. Patterson. The Association sung "Jesus I love thy charming name." Prayer by Rev. C. F. Fry. The Association proceeded to elect officers by ballot. D. P. Powers nominated Rev. S. P. Huff, and, on motion of Rev. J. T. Rardolph, the clerk was in-structed to cast the ballot of the Association for the nominees, and the ballot was accordingly cast for Elder Hoff. It is the custom of this Association to elect a new moderator every year. Brother Huff, on taking the chair, returned his thanks for the honor conferred on him, and requested the Association to remember the sermon this morning and that this treasure was in earthen vessels. On motion of Rev. J. E. Massie, Elder

the Association for clerk and treasurer. The ballot being cast, D. P. Powers was elected clerk and J. T. Randolph treasurer. On motion of Rev. J. H. Taylor, the pastor of this church and deacons were appointed a Committee on Religious Exerises. The committee immediately announced that Rev. John E. Massie would

preach at the stand at 3 o'clock. The rules of order were then read. On motion of Rev. J. B. T. Patterson, visiting brethren were invited to seats, and Whereupon the following were invited : Dr. A. The Columbia Baptist church, organized May, 1874, applied for admission, which application was referred to a special committee, consisting of Dr. G. H. Snead, J. B. T. Patterson, and D. H. Pitts. The committee reported favorably and the church was ad-

On motion of Brother Powers, a Committee on Order of Business was appointed, consisting of Revs. J. A. Doll, W. A. Whitescarver, and J. H. Taylor.

Dr. A. E. Dickinson here stated that, owing to the unavoidable absence of Brother H. K. Ellyson, and of the absolute necessity imposed on himself of having to leave tomorrow afternoon, he hoped that the Committee of Arrangements would let the report on State Missions come up to-morrow morning, as Brother Ellyson had requested him to make some statement of facts in regard to that work. The request was granted. The Committee on Religious Services re-

ported that Dr. Toy, of Greenville, would preach at the stand to-morrow at 10 o'clock followed immediately by Dr. Charles Manly and that Rev. J. A. Mundy would preach a the stand at 3 o'clock.

The Committee on Order of Business made the following report for to-morrow: Meet at 92 o'clcck, and spend half an hour in devotional exercises; at 10, report on State Missions; 11, on Education; 12, Temperance; adjourn at 1. Meet again at 21, at which time report on Colportage would come up; Sunday-school at 3 o'clock. On motion of Rev. J. T. Randolph, a com-

appointed. It consisted of Dr. J. C. Long, D. P. Powers, and A. N. Southerland. On motion of Elder Massie, a committee consisting of Rev. W. A. Whitescarver, D. C. Rittenhouse, and C. F. Fry was appointed

to nominate a preacher and name time and place of next meeting. On motion, the Association adjourned till

by Elder Gatewood. SECOND DAY.

The Association met, pursuant to adjourn-

ment, at 91 o'clock, and spent half an hour in devotional exercises, conducted by Rev. W. A. Whitescarver. Prayers by Professor W. J. Morrissett and Professor N. K. Davis. At 10 o'clock the Moderator took the chair. The minutes of yesterday were read and ap-On motion of Rev. J. T. Randolph, the fol-

Leave was granted the Committee on Arrangements for next annual meeting to retire for consultation. Rev. W. C. Hall, from Dover Association

coming in, was invited to a seat. On motion of the Treasurer, a Committee on Finance was appointed, consisting of E.

G. Taylor and Dr. J. C. Long. The report on State Missions was read by Dr. J. C. Long. It appears that the Board had employed 52 missionaries, who had baptized 621, and reported 1,089 conversions Three Missionaries had been employed in the bounds of this Association at \$1,200 in salaries, of which this Association paid \$936.06, leaving a balance against the Association of \$260.94. Twenty-one churches in this Association, having 2,145 members, gave \$725 40, being about 34 cents per mem-

ber, whilst 82 churches, with 2,683 members, gave nothing at all. Rev. W. A. Whitescarver spoke on the rerisonburg had left by will \$500 to State Mis- christianity have not been confined to Harsions, \$500 to Foreign Missions, and \$100 to risonburg alone, but have been extended to his church. The seed sown by ministers who formerly preached in the Valley are now beginning to appear, and, like leaven, it is be-I the Congressional Convention,

I ginning to be developed. He believed that wherever God opened a field He will not permit it to be abandoned, but will bring help. Dr. J. C. Long remarked that this work (State Missions) was at the bottom of all our interests. By American Baptists the world had to be brought had to be brou had to be brought back to Gospel principles. Ingon.
He referred to Germany and the Ea t, where there were thirty thousand members. Much was due to Virginia Bapti-ts. This State had contributed as much as any three States to the progress of Baptist principles in the South; be referred to Witt, Creath, and others. Virginia has been a nursery for the Southern States. Great responsibility is on us. Complaints had been made against the Brown, F. R. Brown, G. Rantiste in the Francolical Alliance transfer in the Francolical Allia to the progress of Baptist principles in the Baptists in the Evangelical Alliance for sending to the Valley and to Germany, places Butler, C. already occupied by Protestant religion. Though we have done much for sinners, much has been done towards bringing other denominations from error.

Rev. J. B. T. Patterson stated that he loved the people and was not inclined to leave them. Scottsville was surrounded by Baptist ministers, whilst he was laboring there as a missionary; two Baptist ministers lived in the town. They are not fully occupied, because the churches can't sustain them. He was not ashamed of this Association. When the General Association resolved to raise \$25,000 for State Missions this Association was apportioned with \$1,250. After the panic came on the Board spent only about \$18,000, being little over one-half, and yet this Association had raised \$936, more than three-fourths of its \$2,500 apportionment. Only twenty-one churches had been reported as contributing anything. If all had contributed the whole would have been raised. We can do all that is expected of us, and more. This Association did raise more than their proportional part of what was actually spent by the Board.

Dr. Dickinson thought that three-fourths of our churches owed their existence, under God, to this Board. Referring to the statisties in the report, he asked, Must this work stop? The missionaries must be dismissed unless something is done. He was not for playing a recreat. Other States are looking to us, asking how we get along without paid agents. Brother Ellyson was doing without charge that for which men in other States receive \$2,000 or \$3,000. Virginia is a Baptist plant-bed. Many bad gone from this county. When he has travelled in the West and seen these men he was reminded of the Wise Men coming from the East. The Middle District Association had thirteen out of its twenty-eight churches without pastors; yet it raised \$600, which is to be increased to \$1,000, for this work. He wanted \$1,500 from the Albemarle Association.

Rev. J. E. Massic could remember the time when a Baptist minister was a curiosity in Staunton; he made his first visit there about thirty years ago. Two Baptist ministers were then in the Valley. Now churches dotted the Valley, the work of mis-ionaries of the General Association. All other in-terests were largely indebted to this Board. Patterson was authorized to cast the vote of This Association, the first alphabetically, should be first in its works. The bane of this country is extravagance, not poverty. On the close of the remarks of Rev. J. E. Massie, Brother Dickinson realized in subscriptions and cash nearly \$1,000 for State Missions.

On motion, the report was adopted. The report on Education was then read by Rev. S. P. Huff; to which were appended the following resolutions:

"Resolved, 1. That we request and urge all the churches of our Association to contrithey were requested to report themselves. bute something during the year to the Educational Board for the support of ministerial " Resolved, 2. That we sympathize with

Rev. C. Manty, D. D., preached at the stand at 12 M. AFTERNOON SESSION. The Association convened at 2½ o'clock.

Prayer by Rev. J. R. Bagby. On motion, the report on Education was postponed to hear the report on Temperance, which was read by Brother D. P. Powers. It recommended church discipline as about the best thing to remedy the evils of intemperance among church members. The report was not discussed, but tabled for the present in order to resume the discussion of the report on Education.

Dr. Toy presented the claims of Greenville Seminary. He stated that over \$70,000 had been pledged, and that \$5,000 more were needed to bind the subscriptions. He wanted \$1,000 more from this association. Staunton and Charlottesville had given \$500 each, and Brother N. M. Page, of Mount Ed., had given \$100.

Professor Davis said he felt relieved this morning when he heard what had been raised here for State Missions; but here was another crisis. If the \$5,000 are not raised the seminary must stop. An educated ministry was necessary for the progress of Baptist principles. The success of our seminary had been astonishing. The pressure that has been on it would have crushed any secular institution. He thought this the most important interest the Baptists have at stake. Rev. J. E. Massie and F. M. Wills also spoke most pleadingly for the seminary.

Rev. J. T. Randolph said he would rather mittee to nominate standing committees was have our seminary endowed with \$500,000 by many subscribers than that one man should give \$8,000,000, alluded to by Professor Davis.

Rev. J. B. T. Patterson thought the great business now was to get the money. He wanted some of the young farmers to take the Lord as a partner in their tobacco crop for the next five years by giving a bond to to-morrow morning at 9½ o'clock. Prayer the seminary and paying it from the proceeds of these crops. The amount raised by Dr. Toy was nearly

> Professor Harris and Rev. J. A. Mundy represented Hollins Institute. They urged the endowment of Hollins Institute, and pending the getting of subscriptions the report on Education was laid on the table till

Massie offered the following esolutions: "Resolved, That we regard the Religious Herald as a most able and valuable instrumentality for the development of intelligent Christian character, the enhancement of Christian benevolence, the maintenance of sound Christian principles and doctrines, and

sections of our common country. "Resolved, That we respectfully and earnestly advise all our Baptist brotherhood to subscribe to it, read it, and circulate it." They were unanimously adopted. On motion, the Association adjourned till

The public will juage if it be sustained by the testimonials submitted.

Since the last Spring season several valuable springs have been discovered at this place. One of them, according to an analysis made by Professor Tonry, of Battimore, is decidedly impregnated with the "Saits of Lithia," which has given such celebrity to the Gettysburg spring in our own country and to the Aix 12 Chappelle and Vichy waters of the continent of Europe, and which is so highly esteemed in the medical world as a remedy in gout, rheumatism, and in kidney and bladder affections.

tions.

Professor George B. Wood, of the University of Pennsylvania, says: "There is perhaps no other remedy from which equal efficacy may be expected in the removal of the deposits of the urate of soda in the joints and ligamentous tissues in gouty patients, and in preventing the deposits in the kidneys and urinary massages." neys and urinary passages."

It may be worthy of note that this is the only Spring in Virginia in which this salt is found otherwise than the merest trace. otherwise than the merest trace.
